Re: IRA B. NIXON

Operative interviewed Captain James Mason of the County detectives' office in Newark.

A search was made of his records in an effort to learn if there was an arrest or conviction of this man. Capt. Mason also called up Police Headquarters at East Orange to see if there was any record there, but there was not to be found in Essex County or at Police Headquarters in East Orange.

Interviewed Captain Brex of the Newark Police Dept. and he informed me that I could subpoena the record clerk, Thomas Moore. I then made out a subpoena and give him \$5. fees.

Captain Mason got the following record from the Newark Police Headquarters for me.

Dec. 14, 1922 - 170 Norwood St., Newark, no disposition

Oct. 23, 1923 - 459 Mt. Prospect Ave., arrested, assault and battery on his wife, Jennie.  
Complaint not pressed by wife

Nov. 12, 1924, Same address, arrested for desertion and refusal to provide, neglect of wife. No disposition. Paroled in the custody of his counsel, John Howe, Jr.

Dec. 26, 1924 Parking car, fined \$2.

Sept. 10, 1926 - 276 Ridge St., Newark, Disorderly conduct, arrested by officer Bowbliss, 10 days Essex County Jail, Acting Judge Guthrie.

Of this last arrest I obtained a certified copy and arrest and conviction from the Deputy Clerk of the Court that tried this case.

In the evening operative followed up some information which I received from Gregory but there was nothing of value to it.

Respectfully submitted:
